### **How to get there by road.**

4 miles South East of Shrewsbury on the B4380 (old A5 road between Shrewsbury and Telford).

Sign posted from all local roads leading to National Trust, Attingham Park, SY4 4TP. Follow National Trust signs, and race signs on the day when entering the Park itself. There will be marshals and additional car park signs on the race day indicating where you can park, parking is free of charge.

### **Event HQ / registration area.**

This will be signed from the car park.

### **Registration and race numbers.**

Race numbers are to be collected on the day from the Registration area – signed from the car park.

The start of race is approximately 5 minutes walk from registration.

Registration opens at 8.30am and closes at 10.00am

All runners must wear a number securely pinned to the front of the vest/T-shirt, numbers not to be cut, folded or mutilated.

**Limited safety pins are available, so please bring your own.** You will need 4 pins to make sure your number is securely attached.

**Changing rooms and showers.**

Not available.

**Toilets.**

Are available within the grounds of Attingham Park, and are sign posted.

**Start and Finish.**

The start and finish areas are sign posted once within the Park grounds.

They are in two different areas of the Park, and are separated by approximately 500 metres, or a 5 minute walk.

**Refreshments.**

Will be available in the Courtyard area of the Park before, during and after the race.

There is also a good play area for children within the Park grounds, and plenty of space for picnics and walks – all are clearly signposted. For more information on the many attractions at Attingham Park visit the website

<http://www.nationaltrust.org.uk/attingham-park/>

**Race route.**

A multi-terrain course measuring approximately 5 miles, fully marked and with plenty of marshals.

The course is relatively flat, mostly off-road, covering a mixture of pasture land where cattle, sheep and deer can be seen. The course also takes in a large amount of wooded area with obstacles, such as fallen trees which can create trip hazards. The course also covers several wet/marsh areas - dependent on weather conditions prior to the race and on the day.

Just before the finish of the race the course takes in the “pond”. Runners run or wade through still water that is approximately 0.5 metres in depth.

This can be very muddy and cold, be prepared for this popular feature at the end of the race.

**Water stations.**

There will be water at the finish only.

**Retiring from the race.**

It is expected that you will complete the course and pass through the finish funnel. If you find for any reason that you cannot complete the race you **must** report to the finish marshals, or a marshal nearest your retirement position.

This is an important safety feature – we need to know that all runners are accounted for at the end of the race. It is the responsibility of each runner to comply with this requirement. We don't want to be searching for a runner in the woods or adjacent areas who has retired from the race and gone home without letting us know.

**Race prizes and awards.**

Results will be available on the day as soon as possible after the race, a prize giving ceremony will take place in the Courtyard area.

Prizes will be awarded as follows:

**Individuals.**

1<sup>st</sup> and 2<sup>nd</sup> finishers overall plus the 1<sup>st</sup> male and 1<sup>st</sup> female in each of the following age categories- 16-20, 21-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75+

**Results.**

Your result will be emailed to you. Limited full results will be available on the day. Full results will be available at [avtiming.com/mj5](http://avtiming.com/mj5) and [www.shrewsburyac.org.uk/our-races/mad-jacks-5/](http://www.shrewsburyac.org.uk/our-races/mad-jacks-5/)

**Cancellation, Refund and Transfer of Entry policy.**

**Cancellation by the organisers.**

The race organisers will do everything within their control to ensure the race goes ahead.

National Trust have certain rules which apply to weather conditions that could make the Park unsafe to both runners and spectators, and therefore the Park can either be closed altogether, or the race re-routed at short notice. In the event that the event has to be cancelled this information will be posted on the race websites (see above).

In the unlikely event that the race has to be cancelled, runners will be offered the option to have their entry transferred to either a rearranged race date (if the organisers can rearrange in the same year) or the following year's race, or to have a refund. The refund would be subject to a deduction for costs incurred by the organisers prior to the cancellation.

**Refund of entry fee.**

If a competitor decides that they no longer wish to take part in the race a refund of the entry fee will be made subject to the following:

- a deduction of costs incurred to that date by the organiser (including the charge by the card provider for online entries) and reasonable costs incurred in processing the refund – "the balance"
- the full amount of the balance will be payable where notice is received by the organiser up to 4 weeks before the date of the race
- 50% of the balance will be payable where notice is received between 2 and 4 weeks before the date of the race
- no refund will be given where notice is received within the 2 weeks prior to the race.

**Transfer of entry. The competitor can choose from one of the following options.**

**Option 1.** The competitor can request that their entry be transferred to the following year's Mad Jack's 5 race. The request must be made before 10.30am on race day.

**Option 2.** The competitor can request the transfer of their entry to another runner up to and including the day of the race. Where the transfer is from an Affiliated to an Unaffiliated runner extra payment will be required to cover the difference in entry fees. Ideally the request should be made and all information required must be sent to [avtiming.com/mj5](http://avtiming.com/mj5) by 10.00am on the Thursday prior to Race Day, or an on-the-day Race Entry form completed at the venue

**We hope that you enjoy this race**
